KENYA UPDATE

Our learners are scheduled to take their Term One exams. Term One is scheduled to conclude on April 4th. They will have a three-week break before embarking on Term Two, which will commence on April 28th. Our students received their first letters from their Sponsors + Mentors and were thrilled! They eagerly wrote back & letters will be mailed out in April.

DONOR SPOTLIGHT

Dentists Tom and JoAnn Semans are long time supporters of Linc Worldwide. They donated dental hygiene products and flouride treatments to LINC's 2019 volunteer trip. They have generously been monthly donors and now sponsor one of our preschool students at the Awasi Education Centre. JoAnn and Tom are currently enjoying retirement! They love staying active with tennis, golf, and pickleball. They enjoy traveling to visit their three daughters and their husbands. They initially connected with Linc Worldwide through Erin's uncle, Dr. Joe Congeni, and were inspired by Erin's passion for helping others. *"It's such a joy to be part of a cause that has a life-changing impact on so many people!"*
